С 18 по 21 июня в Базеле проходит всемирная художественная выставка-ярмарка. Одним из первых на ней побывал наш корреспондент Андрей Федорченко и поделился с вами своими впечатлениями и привлекшими его внимание кадрами, увековечив и себя. Но у вас есть еще время съездить самим и сделать собственный "селфи в искусстве"! ((© Andrey Fedorchenko/Nashagazeta.ch)
