CARRÉ DES HORLOGERS

*We are the Carré des Horlogers,
seventeen artisan-creators and
independent workshops exhibiting
at SIHH.*

*Here you will find some of the most
creative, exclusive and extraordinary
watchmaking realizations. Only a limited
number of timepieces leave our respective
workshops and each is a craftsman's
masterpiece.*

*Here you will find entrepreneurs with heart
and soul, individuals with a passion for
watches who take perfectionism to
the next level. So come and meet us.
You will be surprised, you will be thrilled...
and you may well leave with a story to tell.*

YOUNG TALENT COMPETITION

11:00 - 11:30

Award ceremony of the annual Young Talent Competition organized by F.P. Journe, with the support of the FHH Foundation High Horology and of luxury watch retailer The Hour Glass. The aim of the competition is to identify the most talented young watchmaking apprentices in the world, spotlight their achievements and support them in their career. In order to compete, the candidates must submit a timepiece or a technical construction that they have independently designed and made.

DON'T MISS A THING AT SIHH 2019.
